RE: Nikerray Middlebrook v. Carroll, et. al.
Civ. No. 05-827-SLR

Dear Judge Robinson:

On September 27, 2006, the court granted Petitioner Middlebrook's motion for expansion of record to include exhibits attached to petitioner's motion as well as the appendix filed separately. Please accept the enclosed documents not included in the record, which may aid the court in reviewing the issue. The enclosed documents may assist the court in determining whether due process has been violated by post verdict delays in the criminal proceeding. Middlebrook's appeal was limited by the delays, which is the crux of the four factors of *Barker v. Wingo*.

Exhibit A (A brief description of the document): New trial motion, Superior Court's denial, State's Answer, Renewed motion for New trial, Superior
